

Face Cleanser

Makeup Remover &
Face Cleanser

Made with Argan Oil & Milk Thistle
PARABEN, GLUTEN & SLS FREE

Our natural facial cleansers include gels and creams that easily remove makeup, dirt and oil as well as moisturize with argan oil. Massage a small amount onto damp skin, then rinse. For makeup removal, apply to dry skin and wipe with a tissue. Leaves skin soft and smooth without drying. A little goes a long way.

BY's Apitherapy only uses natural products that are designed using ingredients derived from plants, minerals, or other natural sources. These products often aim to be more sustainable and gentler on the environment and the body compared to synthetic alternatives. Using natural products offers numerous benefits, including being gentler on the skin, reducing exposure to harmful chemicals, and having a positive environmental impact. Natural products often contain beneficial nutrients and antioxidants, supporting skin health and well-being.

Milk Thistle Extract

Contains enzymes that soothe irritation, gently remove dirt and oil from pores, and help clarify skin—offering natural benefits with zero side effects.

Papaya Fruit Extract

Rich in enzymes and antioxidants, papaya gently exfoliates, brightens, and moisturizes while helping reduce acne and hyperpigmentation. The papain enzyme removes dead skin for a smoother, glowing complexion.

Argan Oil

Hydrates and softens skin almost instantly. Vitamin E (tocopherol) supports cell regeneration and acts as a powerful antioxidant.

Coconut Oil

Effectively removes makeup & SPF while offering antibacterial & anti-yeast benefits. Also works as a soothing, natural first-aid cream.

Sesame Seed Oil

Moisturizes, cleanses, and calms inflammation. Removes makeup, dirt, and impurities while nourishing skin and potentially reducing acne.

Glycerin

A humectant that draws moisture to the skin and locks it in. It gently exfoliates, removes makeup, and soothes irritated or sensitive skin.

Cetyl Alcohol

Acts as an emollient, softening and smoothing the skin. It also improves texture and helps cleanse by removing makeup and impurities.

Bergamot Essential Oil

Offers antibacterial and anti-inflammatory benefits. Cleanses skin of bacteria, fungi, and viruses—ideal for oily, acne-prone, or psoriatic skin.

Lemon Verbena Essential Oil

Antibacterial, anti-inflammatory, and antioxidant-rich. Cleanses away dirt, oil, and pollutants, reduces breakouts, and leaves a fresh citrus scent.

Gardenia Essential Oil

Known for its pleasant fragrance and soothing properties, it may brighten and moisturize skin while helping remove makeup and promote relaxation.

Jasmine Essential Oil

A restorative oil with antioxidants that protect from environmental stressors. Soothes inflammation, balances all skin types, and supports sensitive skin.

INGREDIENTS

Distilled Water, Milk Thistle Extract, Papaya Fruit Extract, Argan Oil, Coconut Oil, Sesame Seed Oil, Glycerin, Cetyl Alcohol, bergamot essential oil, lemon verbena essential oil, gardenia essential oil & jasmine essential oil.
